By signing above, you are acknowledging that you have received this form. This is not a purchase contract. To give you enough time to research this opportunity, the Federal Trade Commission requires that after you receive this form, Ecom Accelerator LLC must wait at least seven calendar days before asking you to sign a purchase contract or make any payments.

For more information about business opportunities in general: Visit the FTC's website at: www.ftc.gov/bizopps or call 1-877-FTC-HELP (877-382-4357). You can also contact your state's Attorney General.

ATTACHMENT TO DISCLOSURE OF IMPORTANT INFORMATION ABOUT BUSINESS OPPORTUNITY

THIS ATTACHMENT TO DISCLOSURE OF IMPORTANT INFORMATION ABOUT BUSINESS OPPORTUNITY is provided by Ecom Accelerator LLC, a Florida Limited Liability Company ("Agent"), for you ("Owner") and your future e-commerce company ("Company") (Agent, Company, and Owner are together the "Parties").

WHEREAS, Agent provides business development and advisory services to prospective operators of eBay e-commerce stores, and coordinates the engagement of a third-party management company to provide all store operations and fulfillment services, pursuant to the terms and conditions set forth in the eBay E-Commerce Store Services Agreement ("Agreement").

WHEREAS, the U.S. Federal Trade Commission's ("FTC") Business Opportunity Rule (16 C.F.R Part 437) requires business opportunity sellers to provide prospective buyers with specific information about their business offering.

WHEREAS, Agent provides Owner and Company with specific information about its business offering, and strongly recommends Owner and Company take seven (7) calendar days or longer[1] to review all of Agent's disclosures before executing either an Agreement or remitting any payment to Agent.

NOW, THEREFORE, Agent provides Owner and Company with the following information as required under the Business Opportunity Rule:

1. Legal Actions.
   a. Agent affirms that none of its key personnel have been the subject of any criminal or FTC actions and have never been sued by any client in connection with Agent's business development and advisory services.

[1] Before executing either an Agreement or making a payment to Agent, Agent recommends that an Owner or Company located in (1) Connecticut, Iowa, Maryland, New Hampshire, Oklahoma, South Dakota, or Utah take ten business days to review all of Agent's disclosures, (2) Alaska or Texas take ten calendar days to review all of Agent's disclosures, or (3) Illinois take fourteen calendar days to review all of Agent's disclosures.

14 NE 1st Avenue Suite 1403 PMB 1310, Miami, FL 33132 | (844) 636-0050 | team@ecomaccelerator.io

2. Refund Policies.

a. Initial Payment.[3] Owner and Company's one-time Initial Payment to Agent is non-refundable.

b. Profit Split Protection. If, after sixteen (16) months from the Effective Date, the Store has not generated sufficient Net Profit for Owner to recoup the Initial Payment, Owner shall have the right to elect one (1) of the following remedies by providing written notice to the Company within thirty (30) days thereafter:

(a) The Profit Split shall be reduced to zero percent (0%) with respect to the Store until such time as the Initial Payment has been fully recouped from the Store's Net Profits; or

(b) The Company shall provide Owner with one (1) additional eBay store at no additional cost to Owner, subject to platform availability and approval requirements. Any such additional store shall be operated pursuant to the terms of this Agreement. In the event Owner elects this option, the Profit Split applicable to the original Store shall remain unchanged and shall continue in accordance with this Agreement.

Owner's election of either remedy shall be final and irrevocable, and Owner shall not be entitled to receive both remedies. The remedies set forth in this Section 17.1 shall constitute the Company's sole obligation and Owner's exclusive remedies with respect to the Store's failure to generate sufficient Net Profit to recoup the Initial Payment within sixteen (16) months.

3. Earnings Claims. Agent has provided Owner and Company with separate documents titled "Earnings Claim Statement Required By Law" that contain the earnings results reported by clients who are actively operating eBay and/or Walmart stores through Agent's program, managed by a third-party operations team engaged by Agent.

---

[3] "Initial Payment" means the one-time payment by Owner or Company to Agent, which is due simultaneously with the execution of an Agreement.

EARNINGS CLAIM STATEMENT REQUIRED BY LAW [1]

This Earnings Claim Statement is provided for transparency purposes only and is not intended to represent typical, expected, or guaranteed results.

eBay Earnings Claims Statement (August - October 2026)
Based on a review of client eBay store records maintained by Ecom Accelerator for the period beginning August 1, 2026, and ending October 31, 2026 (the "Period"), the mathematical mean (average) realized return on investment ("ROI") across participating client eBay stores that recorded sales activity during the period was approximately **42.9%.** [2]

These figures represent actual verified client outcomes. Individual results will vary, and past performance does not guarantee future outcomes.

The reported ROI reflects cumulative results over varying periods of time depending on individual client activity and is not annualized, normalized, or standardized to any fixed timeframe. As a result, the disclosed average should not be interpreted as a monthly, annual, or projected rate of return.

The reported average represents a statistical aggregation only and does not correspond to the results of any individual client account. Individual client outcomes during the reviewed period varied substantially. Certain clients achieved returns above the stated average, others achieved returns below the stated average, and some clients experienced break-even results or losses. Client results were influenced by numerous factors, including but not limited to capital deployed, duration of participation, product selection, marketplace conditions, account health, inventory availability, and account-specific or platform-related restrictions.

This disclosure does not constitute a representation, warranty, or guarantee regarding the profatbility of any client account and should not be relied upon as an indication of what any current or prospective client is likely to earn. Past performance does not guarantee future results.

Participation in a Ecom Accelerator eBay store program is not an investment, security, or passive income product and involves business risk. Clients retain discretion over funding decisions and may incur losses. All figures are presented before taxes, and individual tax consequences may vary.

---

[1] The definitions provided in the "Attachment to Disclosure of Important Information About Business Opportunity" are incorporated herein by reference.

[2] ROI figures presented here reflect returns based solely on capital spent directly on products. These figures do not include any upfront costs. This offering is strictly a business opportunity and should not be considered an investment or security. Participation involves business risks, including the potential for loss of product capital. Results are not guaranteed, and individual performance will vary Individual outcomes will vary, and past performance does not guarantee future results.

EARNINGS CLAIM STATEMENT REQUIRED BY LAW [1]

This Earnings Claim Statement is provided for transparency purposes only and is not intended to represent typical, expected, or guaranteed results.

Walmart WFS Earnings Claims Statement (August – October 2026)

Based on a review of client Walmart store records maintained by Ecom Accelerator for the period beginning August 1, 2026, and ending October 31, 2026 (the "Period"), the mathematical mean (average) realized return on investment ("ROI") across participating client Walmart stores that recorded sales activity during the period was approximately **12.0%.**

This figure is calculated solely from inventory that had fully sold through as of the reporting date and reflects realized net profit divided by the cost of sold inventory only. Inventory that had not yet sold as of the reporting date was excluded from this calculation. Unsold inventory may materially increase or decrease final results once fully sold through.

The reported ROI reflects cumulative results over varying periods of time depending on individual client activity and is not annualized, normalized, or standardized to any fixed timeframe. As a result, the disclosed average should not be interpreted as a monthly, annual, or projected rate of return.

The reported average represents a statistical aggregation only and does not correspond to the results of any individual client account. Individual client outcomes during the reviewed period varied substantially. Certain clients achieved returns above the stated average, others achieved returns below the stated average, and some clients experienced break-even results or losses. Client results were influenced by numerous factors, including but not limited to capital deployed, reinvestment decisions, duration of participation, product selection, market conditions, inventory sell-through timing, and account-specific or platform-related restrictions. This disclosure does not constitute a representation, warranty, or guarantee regarding the profitability of any client account and should not be relied upon as an indication of what any current or prospective client is likely to earn. Past performance does not guarantee future results.

Participation in business opportunity is not an investment, security, or passive income product, and involves business risk. Clients retain discretion over funding decisions and may incur losses. All figures are presented before taxes, and individual tax consequences may vary.
